

A Social Story

Going to the picnic in the park

The picnic is at Chapel Allerton Park.

A flag shows us where the picnic is held.

We bring something to sit on.

We can choose where we sit.

We bring our own food and drink.

There is a band playing music at the picnic.

We can join in with art and craft activities if we want to.

We can join in with games if we want to.

We can ask a volunteer for help if we have a problem or a question about the picnic.

There is lots to enjoy at the picnic.
